

M.R.F. Supervisor's Report Jan. 11<sup>th</sup>, 2015

Carey and I did the following for the month of December

Accepted incoming trash  
Crushing glass  
Sorting recyclables  
Moving snow  
Baling the recyclables  
Cleaning the shop  
Switching the solid waste box  
Working on the glass crusher  
Smashing the demo and metal boxes  
Sorting old paint  
Switching the demo box  
Placing the extra boxes for winter  
Working on the tear end stuff for D.N.R. reports  
Answering numerous phone calls  
Plus our daily routine

Additional info:

1. We were unable to get a last semi over before the boats quit. So the aluminum will not be stored on the mainland this year.

2. Where did 2014 go? WOW

Respectfully submitted,

Ted Pallas Supervisor, M.R.F.
